

Brett Ross (Melrose)

This week our Player of the Week is Brett Ross (Melrose) from one of our high level 5th grade teams. Brett joined our program last Summer where he quickly made a name for himself. Standing at nearly 5'5, Brett is very tall for his young age. Brett also works very hard at improving his skills, as he is often the last kid to leave the gym after team practices or group skills sessions. This Winter Brett will be participating in our Winter program where he will be his team's starting center and also team leader both on and off of the court.

Check out the video below to see Brett's game winning shot at the final game of the November Madness tournament. Brett's team ended up finishing 2-1 and won the 11U division.

Age: 11

Position: Center

School: Winthrop Elementary, Melrose
